	<ol style="list-style-type: none">1. I wrote my first short story this week; it's called The Science Fair.2. Beverly Cleary's book The Mouse and the Motorcycle has been a childhood favorite for 50 years now.
	Read the paragraph on the screen.
	<p>Roald Dahl (1916–1990) was a British writer. He is well known for his books Charlie and the Chocolate Factory, Matilda, and James and the Giant Peach, which were later made into movies. The movie Fantastic Mr. Fox is also based on a Dahl novel. What many people don't know is that while Dahl wrote many books for children, he also penned several fiction and nonfiction books for adults, a play, and even some children's poetry. In the poem The Pig, found in his humorous book of poetry titled Dirty Beasts, Dahl tells the story of a pig who decides to take matters into his own hands before the farmer eats him. Many of Roald Dahl's short stories were first published in magazines and newspapers. For example, his famous short story Poison was first published in the magazine Collier's. He has been and continues to be a popular author for children and adults around the world.</p>
