	<p>Dear Mom and Dad,</p> <p>Spending time with my friends is really important to me. Now that I am getting older, I am noticing that a lot of my friends are starting to have sleepovers. I would like to invite some friends to sleep over at our house.</p> <p>First of all, if I can have a sleepover, I will help get the house ready, and I will clean up after everyone leaves. For instance, I will straighten up all the toys in the basement so we can sleep there. My room will also be cleaner than ever! In addition, I will straighten up all the rooms in our house after my friends leave. You will not have to do any cleaning for the sleepover.</p> <p>In addition to helping with the cleaning, I promise that we will go to sleep at a reasonable time. I will make sure all the lights are out by 11:00pm. In fact, I will make sure everyone has put away their electronic devices before I turn off the lights. We will be so quiet, you and everyone else in the house will be able to sleep.</p>

In conclusion, I really think that I am old enough to host my first sleepover. I promise to help clean up and make sure we are quiet. Please think about letting me invite my friends to sleep over.

Love,  
James
